

The Rock House

AT IKUKA SAFARI CAMP

A NIGHT UNDER THE STARS IN RUAHA

The Rock House is the ultimate “sleep-out” or “fly-camping” experience done in our usual Ikuka style. Sleep under the stars in our new star tent, located on a raised wooden platform between two giant rocks, which looks out over sweeping views of the Mwangusi valley. The tent itself is incredibly comfortable with a double bed, crisp linens, robes a bucket shower and toilet on site. The tent can be fully zipped up to ensure you have a peaceful nights sleep under the stars. During the night the area is patrolled by a guard and one of our armed guides will also sleep close by in a tent contactable by radio. It is the ultimate in privacy with the reassuring support of our team. Dining is a memorable experience at the Rock House where sundowners are followed by a candlelit dinner under the stars and you even have your own mini bar cool box on hand with all the guests preferred drinks!
